The Stowe Tennis Club is seeking a maintenance person and/or property manager. This is a flexible position based on the candidate’s experience and availability. Pay starts at $18/hour, increases based on experience, and pays up to 25 hours per week. The start date depends on seasonality (approximately May 15th, or whenever the club opens) and ends at the conclusion of the season, normally the end of October. This position reports to the club manager, Elle Anderson.

The job’s responsibilities are categorized as follows, based on the time of year: Spring opening, daily court and property maintenance, and Fall closing. Spring duties include getting the clubhouse and pool plumbing operational, checking for leaks in the pipes, installing the drinking fountain, fridges and ice machines, and checking all machinery (approximately one week before opening). Daily court maintenance duties include rolling and sweeping the courts, managing the automatic sprinkler system, moss and weed control, checking net heights, and other routine court maintenance (for the duration of the season). The Fall closing duties include draining all pipes and plumbing, winterizing the sprinkler system, and winterizing and storing all appliances and machinery (approximately one week after courts close for the season).

Ideal candidates will enjoy working outside, have an attention to detail, and be amenable to early mornings. Prior experience with maintenance equipment (golf carts, lawnmowers, leaf blowers) or prior experience with property maintenance is a plus. Open to current students and part-time employees who are willing to work before and after school/business hours.

The Stowe Tennis Club was founded in 1954 and is a private, non-profit organization located at 1180 Barrows Road in Stowe Vermont. The nine clay tennis courts, swimming pool and clubhouse provide a friendly, social and community-oriented atmosphere. Weather-permitting from May through October, the club offers tennis and swimming lessons, tournaments, round robins, and a junior program to its 400- to 450-person membership.
